

News Release (January 30, 2024)

Publication of New Corporate Website

We are pleased to announce the publication of our new corporate website on Tuesday, January 30, 2024. The redesign is aimed to refresh our image and improve access to information about the group. Moving forward, we will publish engaging articles through the website to better communicate our initiatives to a broad range of stakeholders.

Corporate Website of Toyo Seikan Group Holdings Co., Ltd.

Front Page

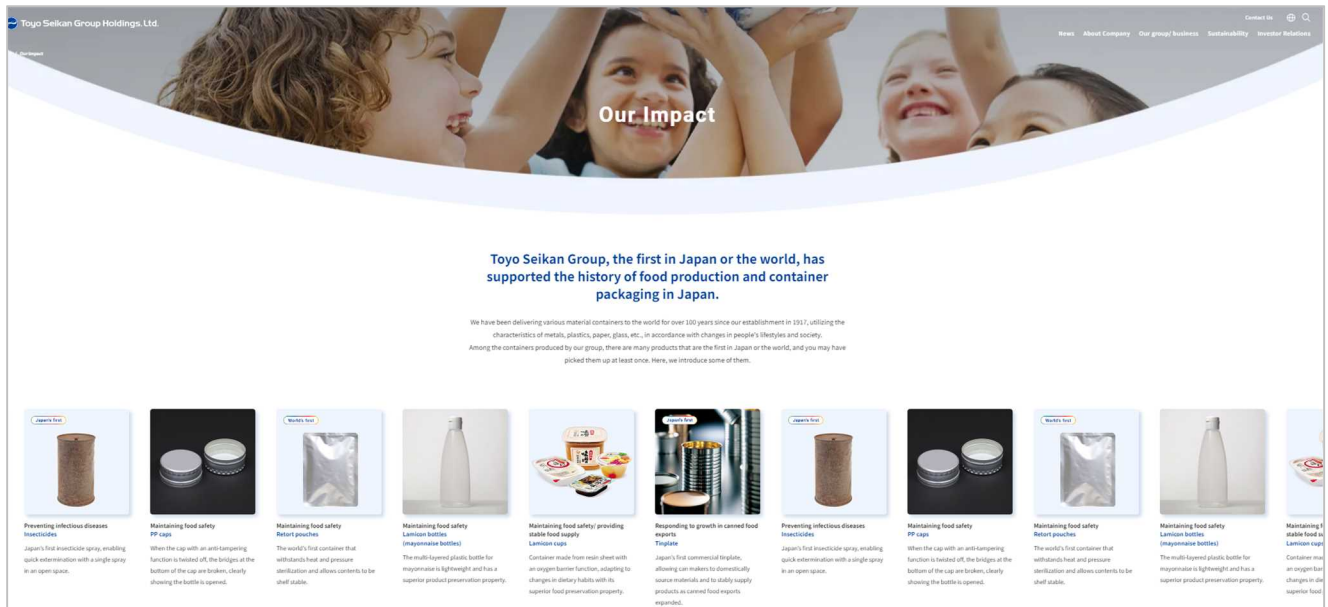

Highlights

(1) A new page "Our Impact", describing the group's past, present, and future

Here, we introduce the products of our group that have been part of the history of food production and container packaging in Japan, the products that support our everyday lives today, and our efforts to create new social value for the future.

Our Impact

Our Impact Page

(2) A new introduction to our business

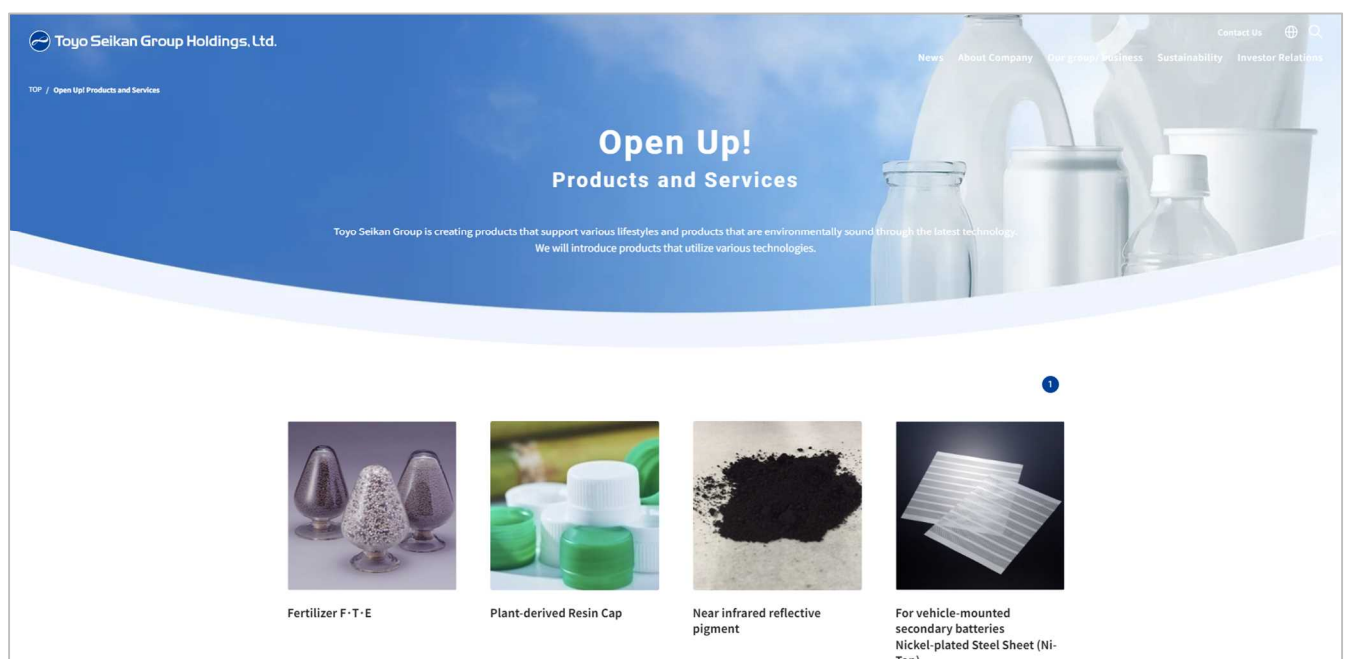

We have created new content about our “Open Up! Products and Services”, introducing the lifestyle-supporting and diverse environmentally friendly products created by Toyo Seikan Group, and about a range of business topics, presenting the latest initiatives of each group company. We will publish posts more frequently to keep you promptly informed of our efforts.

(3) Enriched content

We have expanded the information on our “Toyo Seikan Group At-a-Glance” page, and in addition to an overview of the company, we share product development, our “Mid-to Long-Term Management Goals 2030”, and other information. This page contains content that allows you to understand key information about the company at a glance.
