Oi Ocha 460ml PET Bottle by Toyo Seikan and ITO EN wins the "AsiaStar Consumer Package" category award at AsiaStar 2024 – Features a convenient slim shape for easy portability –

Toyo Seikan Co., Ltd. ("Toyo Seikan"; President: Masanori Honda), a consolidated subsidiary of Toyo Seikan Group Holdings, Ltd. (Tokyo 5901; President: Ichio Otsuka), and ITO EN, Ltd. ("ITO EN"; Tokyo 2593; President: Daisuke Honjo) have received the "AsiaStar Consumer Package" category award at the Asian Packaging Federation's AsiaStar 2024* contest for their jointly developed Oi Ocha 460ml PET bottle. The bottle previously received the "Packaging Technology Award - Logistics Award" at the 2024 Japan Packaging Contest. Toyo Seikan Group will continue to develop and provide products and services that prioritize consumer convenience.

*The contest is organized by the Asian Packaging Federation to showcase excellent packaging from Asian countries to the world. It is held annually, with entries selected from the winning packaging in each country's domestic contest.

Oi Ocha 460ml PET bottle

With the concept of "slim and easy to hold = smart slim," Toyo Seikan and ITO EN developed the Oi Ocha bottle as a convenient container focused on portability. The smart slim shape not only makes it narrow and easy to grasp but also improves loading efficiency during transportation. By embossing the product name, we can also achieve a label-less design that helps to reduce plastic usage.
